

How It Works

- 1 Recommend a new patient to Clark Family Eyecare.
- 2 When booking or attending an appointment your friend will need to state they have been recommended by a friend and tell us your name.
- 3 Your reward will be credited to your account on completion of the appointment and can some times be redeemable the same day.
- 4 The new customer reward will be deducted from the purchase of spectacles or sunglasses. At this time we are unable to deduct the reward from the cost of services.
- 5 Repeat steps 1-4 to continue to earn rewards.
